cleaning products

Prochem cleaning products have a worldwide reputation for outstanding performance in the professional, commercial and institutional cleaning sectors.

Specialist products cover a whole range of requirements for carpets, upholstery, floors and surface cleaning technologies and maintenance. Formulations are developed in-house to meet strict performance, safety, quality and environmental criteria. Prochem Europe cleaning products are available from a network of selected distributors offering local supply, advice and training.

Safety and the Environment

Prochem Europe cleaning products shown in this catalogue are constantly assessed for user safety and environmental impact. Products comply with the Classification, Labelling & Packaging (GB CLP) Regulations 1272/2008, as amended. Raw materials comply with the requirements of the Registration, Evaluation, Authorization and Restriction of Chemicals (UK REACH) Regulations, as amended. Surfactants comply with the biodegradability requirements of the Detergent Directive 648/2004, as amended. Active ingredients of biocidal products comply with the requirements of the Biocidal Products Regulations (BPR) 528/2012.

Prochem Europe cleaning products are intended for professional and industrial use only. Safety data sheets can be downloaded from our website www.prochem.co.uk

Carpet Presprays & Traffic Lane Cleaners

A range of specially formulated pre-treatments to help release heavy soil, oils and grease from carpet traffic lane areas before normal extraction or shampoo cleaning. Prochem presprays and traffic lane cleaners help prevent over-wetting and leave carpets bright and clean with minimal residue.

Contract Carpet Prespotter

A powerful low cost pre-spray and spot cleaner for heavily soiled and greasy carpets. Turquoise liquid with lavender fragrance.

Dilution 1 to 8 pH 10

Case Qty. 4 x 5L

Unit 5L Code S708-05

Multi Pro

Professional general purpose pre-spotter and traffic lane pre-spray for carpets. Excellent for draught marks and greasy areas. Apply by sprayer to all heavily soiled areas before machine cleaning. Turquoise blue liquid with citrus mint fragrance.

Dilution 1 to 8 pH 10.5

Case Qty. 4 x 5L

Unit 5L Code S709-05

Trafficlean

Industrial strength high concentrate formula with extra water soluble solvents for grease removal. Pre-test for colour fastness and apply to all heavily soiled and greasy areas of carpet prior to extraction cleaning. Turquoise green liquid with mint fragrance.

Dilution 1 to 10 pH 11

Case Qty. 4 x 5L

Unit 5L Code S710-05

Prespray Gold

A high concentrate professional strength pre-spray cleaner for wool, wool-mix, stain resistant nylon and other pH sensitive, wet-cleanable carpets, rugs and upholstery fabrics. WoolSafe approved maintenance product for wool carpets and rugs. Amber liquid with floral lemon fragrance.

Dilution 1 to 32 pH 8

Case Qty. 2 x 5L

Unit 5L Code B107-05

Ultraprep TLC

Premium concentrated pre-spray and traffic lane cleaner with 1 to 33 dilution. Powerful action with mild pH is suitable for most carpet types, subject to pre-testing. Green liquid with mintfresh fragrance.

Dilution 1 to 33 pH 9.4

Case Qty. 2 x 5L

Unit 5L Code S888-05

Power Burst

Enzyme-free high performance alkaline detergent pre-spray for pre-cleaning heavily soiled commercial carpet. Ideal for greasy restaurant carpets and traffic lanes where there is a high build-up of grease. Can be pre-diluted for use in injection sprayers. White powder with floral fragrance.

Dilution 1 to 66 with hot water pH 11

Case Qty. 2 x 4K

Unit 4K Code S789-04

Carpet Extraction Liquid Detergents

The industry's most comprehensive range of low foam carpet cleaning chemicals for use in hot water extraction cleaning equipment. Prochem liquid extraction detergents are quick acting emulsifiers that release and suspend soils to give maximum cleaning with minimum residue.

Contract Carpet Extraction Cleaner

A powerful, safe and economical low foam detergent concentrate for use in carpet soil extraction machines. Turquoise liquid with lavender fragrance.

Dilution 1 to 50 pH 9.5

Case Qty. 4 x 5L

Unit 5L Code S774-05

Extraction Plus

Professional low foam cleaning concentrate for carpet soil extraction machines. Clear and stable at high temperatures with anti-resoiling formula. Fluorescent green liquid with citrus fragrance.

Dilution 1 to 100 pH 9.5

Case Qty. 4 x 5L

Unit 5L Code S775-05

Fibre & Fabric Rinse

A professional acidic rinse agent for neutralising alkaline pre-sprays and stabilising colours. WoolSafe approved maintenance product for wool carpets and rugs. Prevents most colour bleed, yellowing and browning. Orange liquid with fresh orange peel fragrance.

Dilution 1 to 100 pH 4

Case Qty. 4 x 5L

Unit 5L Code B109-05

Extraclean

Advanced micro-encapsulation extraction cleaner for carpets, rugs and upholstery. Anti-resoiling formula with odour neutraliser. WoolSafe approved maintenance product for wool carpets and rugs. Yellow green liquid with lemon breeze fragrance.

Dilution 1 to 100 pH 8.5

Case Qty. 4 x 5L

Unit 5L Code B106-05

Liquid WoolSafe

An effective extraction cleaner for wool, stain resistant nylon and upholstery fabrics. WoolSafe approved maintenance product for wool carpets and rugs. Amber liquid with lemon floral fragrance.

Dilution 1 to 100 pH 8.5

Case Qty. 4 x 5L

Unit 5L Code S781-05

Carpetclean XL

High concentrate, phosphate-free extraction detergent for use in portable and truck-mounted extraction machines. Certified to AMS1631A for aircraft carpet cleaning. Dark green turquoise liquid with floral citrus fragrance.

Dilution 1 to 333 pH 9.5

Case Qty. 2 x 5L

Unit 5L Code S800-05

Carpet Extraction Powdered Detergents

Highly concentrated carpet extraction detergents in powder formulations for optimum results and greater economy. Ideal for use in contract cleaning and with truckmount units and high pressure extractors.

Dry Blend

Economical commercial extraction detergent, for use on synthetic carpets. Contains water softeners, builders, surfactant and corrosion inhibitor for safe and effective results. White powder with lemon fragrance.

Dilution 1 to 333 pH 10

Case Qty. 2 x 4K

Unit 4K Code S773-04

Crystal Green

Prochem's premium non-ionic carpet extraction detergent for spectacular results on tough, oily and greasy soils. Green powder with herbal lemon fragrance.

Dilution 1 to 666 pH 9.5

Case Qty. 2 x 4K

Unit 4K Code S777-04

Fibresafe Gold

A safe and effective powdered extraction detergent for wool, stain resistant nylon and upholstery fabrics. WoolSafe approved maintenance product for wool carpets and rugs. Fibresafe Gold incorporates a self neutralising pH system which reduces the risk of colour bleed, texture change and re-soiling. Yellow powder with green apple fragrance.

Dilution 1 to 333 pH 9

Case Qty. 2 x 4K

Unit 4K Code S780-04

Double Clean

A concentrated heavy-duty extraction detergent, formulated for optimum performance in cleaning heavily soiled carpets. Double Clean contains high quality anionic and non-ionic surfactants, alkaline builders and corrosion inhibitor. Blue powder with citrus mint fragrance.

Dilution 1 to 666 pH 10

Case Qty. 2 x 4K

Unit 4K Code S776-04

Heat Wave

Super-strength powder detergent for use in the most powerful truck mounts. Performs at high temperatures while maintaining stability and 100% clarity. Heat Wave's ingredients will not separate under high heat, reducing residual deposits and clogged wands. Light red powder with lemon floral fragrance.

Dilution 1 to 666 pH 9.5

Case Qty. 2 x 4K

Unit 4K Code S778-04

Carpet Maintenance Products

An extensive range of products for carpet and fabric maintenance and low moisture cleaning operations. Prochem carpet shampoos and maintenance cleaners incorporate the latest quick drying and anti-reseal chemistry.

Contract Carpet & Rug Shampoo

An effective and economical blend of high foaming cleaning agents for use in carpet rotary and dry foam shampoo cleaning machines. Clear liquid with lavender fragrance.

Dilution 1 to 16 pH 7

Case Qty. 4 x 5L

Unit 5L Code B103-05

Fibre Shampoo

Professional high foam crystallising shampoo with micro-encapsulation formula, for carpet rotary and dry foam cleaning. Fibre Shampoo contains a buffered pH system to help prevent 'browning' and colour bleed and can also be used in conjunction with Prochem 'problem solver' additives. Clear liquid with lemon and lime fragrance.

Dilution 1 to 25 pH 7

Case Qty. 4 x 5L

Unit 5L Code B105-05

BEST SELLER

Procaps

Soil encapsulating spray cleaner for interim carpet maintenance with cylindrical brush machine. Procaps leaves carpet clean and dry in 20 minutes with enhanced soil resistance. WoolSafe approved maintenance product for wool carpets and rugs. Clear liquid with lemon and lime fragrance.

Dilution 1 to 16 pH 7

Case Qty. 2 x 5L

Unit 5L Code S745-05

Bonnet-Buff®

Low VOC formula concentrate with anti-soil properties for effective spray cleaning of carpets in conjunction with rotary carpet bonnet pads. Clear liquid with lemon and lavender fragrance.

Dilution 1 to 16 pH 9

Case Qty. 2 x 5L

Unit 5L Code B110-05

Pure Clean

Multi-purpose carpet cleaning powder with soap-free, enzyme-free and fragrance-free formula. Use in extraction, bonnet, spray cleaning and spotting for complete rinse and residue free cleaning. White fragrance free powder.

Dilution 1 to 66 pH 9

Case Qty. 2 x 4K

Unit 4K Code C409-04

Fiberdri®

A dry carpet cleaning compound based upon natural organic compound coated with biodegradable cleaning agents. WoolSafe approved maintenance product for wool carpets and rugs. Golden compound with floral fragrance. Ready to use in conjunction with PB14E, 380 DCS, Fiberdri TM and PRO 35.

Approx. coverage 15m² per kilo pH 6

Case Qty. 10 x 1K

Unit 1K Code C812 Unit 10K Code C803

Upholstery & Fine Fabric Products

For the most delicate upholstery fabrics and rugs, Prochem's fine fabric range includes low foam and high foam detergents, rinse agents, solvents and leather care products.

Prespray Gold

A high concentrate professional strength pre-spray cleaner for upholstery fabrics. WoolSafe approved maintenance product for wool carpets and rugs. Amber liquid with floral lemon fragrance.

Dilution 1 to 32 pH 8

Case Qty. 2 x 5L

Unit 5L Code B107-05

Fabric Restorer

Premium upholstery pre-spray with high concentrate blend of detergents, low odour solvents and anti-reseal agents, for use on grease, hair oil and body contact areas of wet cleanable fabrics. Clear liquid with citrus fragrance.

Dilution 1 to 16 pH 9

Case Qty. 2 x 5L

Unit 5L Code B108-05

BEST SELLER

Fibre & Fabric Rinse

Acidic extraction rinse agent or post spray for neutralising alkaline pre-sprays, stabilising colours and preventing browning. WoolSafe approved maintenance product for wool carpets and rugs. Orange liquid with fresh orange peel fragrance.

Dilution 1 to 50 pH 4

Case Qty. 4 x 5L

Unit 5L Code B109-05

Fab Clean

Upholstery fabric extraction concentrate for use on wet cleanable colourfast fabrics. Contains a unique blend of low foam biodegradable surfactants. Turquoise liquid with green apple fragrance.

Dilution 1 to 66 pH 8.5

Case Qty. 4 x 5L

Unit 5L Code B145-05

Extraclean

Advanced micro-encapsulation extraction cleaner for carpets, rugs and upholstery. Anti-resealing formula with odour neutraliser. WoolSafe approved maintenance product for wool carpets and rugs. Yellow green liquid with lemon breeze fragrance.

Dilution 1 to 100 pH 8.5

Case Qty. 4 x 5L

Unit 5L Code B106-05

Safety Assured

Prochem upholstery cleaning products have been independently tested by a UKAS accredited laboratory and have been shown not to adversely affect the ignition resistance of flame retarded fabric used as a composite in conjunction with specified foams.

Upholstery & Fine Fabric Products (continued)

Fibre Shampoo

High foam crystallising shampoo for dry foam and hand cleaning of fabric upholstery. Contains a buffered pH system to help prevent 'browning' and colour bleed. Clear liquid with lemon and lime fragrance.

Dilution 1 to 20 pH 7

Case Qty. 4 x 5L

Unit 5L Code B105-05

Leather Cleaner

Leather upholstery cleaner and conditioner with spray applicator. Contains speciality surfactants and neatsfoot oil. White liquid emulsion with light lemon fragrance.

Ready-to-use pH 6

Case Qty. 10 x 1L

Unit 1L spray Code E672-01

Leather Conditioner

Finishing treatment for cleaned leather upholstery, which replaces natural oils, restores suppleness and helps protect. Contains neatsfoot oil and conditioning agents. Tan liquid emulsion with leather and lemon fragrance.

Ready-to-use pH 6

Case Qty. 10 x 500ML

Unit 500ML Code E675-01

Fine Fabric Solvent Cleaner

Odourless mineral solvent for cleaning water sensitive fabric upholstery. Intended for use only by manual application according to label directions.

Do not use for curtain cleaning. Do not heat or use in water or solvent spray extraction machines or recover with vacuum extraction. Clear solvent.

Ready-to-use.

Case Qty. 2 x 5L

Unit 5L Code B137-05

Solvent Cleaner Additive

Solvent soluble detergent concentrate which improves the effectiveness of Fine Fabric Solvent Cleaner for the removal of water-based soils. Clear solvent with lemon deodoriser fragrance.

Mix 100 ml. per 5 litres of Fine Fabric Solvent Cleaner.

Case Qty. 5 x 1L

Unit 1L Code B143-01

Deodorisers & Sanitisers

With specialist products for professional deodorisation, the Prochem range is user friendly and highly effective on difficult odours in carpets and fabrics. From smoke to urine, general musty odours and high performance sanitisers for disaster restoration, there is a Prochem product to solve the problem.

Lemon Refresh

Concentrated fragrance additive which can be added to extraction, shampoo or any general cleaning solution. Clear liquid with fresh lemon fragrance.

Dilution 1 to 100 pH 8

Case Qty. 5 x 1L

Unit 1L Code B117-01

Cherry Carpet Deodoriser

A powerful and pleasantly perfumed deodoriser formulated to counteract unpleasant odours in carpets. Can be diluted with water and pre-sprayed onto carpet or added to extraction or shampoo cleaning solutions. Pink liquid with cherry fragrance.

Dilution 1 to 50 pH 7.5

Case Qty. 4 x 5L

Unit 5L Code B224-05

Odour Fresh

Professional formula with high quality deodorisers which can be added to any carpet, fabric or general cleaning solution. Clear liquid with floral fragrance.

Dilution 1 to 100 pH 7.5

Case Qty. 4 x 5L

Unit 5L Code B124-05

Urine Neutraliser

Exclusive Prochem acidic deodoriser for neutralising and deodorising urine by direct application. Neutralises odour from urine deposits on contact and prevents staining. Yellow tinted liquid with fresh fragrance.

Dilution 1 to 1 or ready-to-use pH 4

Case Qty. 10 x 1L

Unit 1L spray Code B153-01

Case Qty. 4 x 5L

Unit 5L Code B153-05

Neutra-Soft®

Developed exclusively for the healthcare market, Neutra-Soft® is an all-in-one carpet extraction cleaner, urine neutraliser, deodoriser and rinse agent. WoolSafe approved maintenance product for wool carpets and rugs. Pale green liquid with lemon and lime fragrance.

Dilution 1 to 100 or 1 to 20 pH 5

Case Qty. 4 x 5L

Unit 5L Code B112-05

Deodorisers & Sanitisers (continued)

Fresh Breeze Odour Neutraliser

New technology odour neutraliser concentrate for carpets, fabrics and professional restoration cleaning. Can be diluted with water and applied by sprayer or added to cleaning solutions. Micro-encapsulation formula with odour absorber. Clear blue tinted liquid with fresh fragrance.

Dilution 1 to 100 pH 7.5

Case Qty. 4 x 5L

Unit 5L Code B230-05

Smoke & Odour Neutraliser

Highly concentrated odour neutraliser for smoke and odour contaminated carpets, fabrics and hard surfaces. Apply by sprayer or fogger or add to cleaning solution. Contains no bactericides. Turquoise liquid with deodorant fragrance.

Dilution 1 to 100 pH 7.5

Case Qty. 5 x 1L

Unit 1L Code A222-01

Case Qty. 2 x 5L

Unit 5L Code A222-05

Biocides

Use biocides safely. Always read the label and product information before use.

Clensan®

Multi-surface biocidal sanitiser for carpets, upholstery, floors and hard surfaces. Effective against bacteria and viruses including Norovirus and enveloped viruses. WoolSafe approved maintenance product for wool carpets and rugs. Dilute with water and apply by sprayer before rinsing. Approved to EN1276, EN13697, EN13727, EN14476, EN1650. Clear liquid with herbal lemon fragrance.

Dilution 1 to 20 pH 7.5 (5L) pH 6 (1L)

Case Qty. 10 x 1L

Unit 1L spray Code B125-01

Case Qty. 2 x 5L

Unit 5L Code B125-05

Microsan®

Multi-surface biocidal cleaner for hard surfaces, floors, carpets and upholstery. Effective against bacteria including MRSA and viruses including Hepatitis B, HIV and Coronavirus. WoolSafe approved maintenance product for wool carpets and rugs. Also available in 1 litre ready-to-use spray. Approved to EN1276, EN13697, EN1650, EN14476. Clear liquid with apple blossom fragrance.

Dilution 1:50 to 1:16 pH 9.5

Case Qty. 10 x 1L

Unit 1L spray Code D500-01

Case Qty. 2 x 5L

Unit 5L Code D500-05

Carpet & Fabric Protective Treatments

Exclusive protection products to ensure durable soil and stain resistance on new and freshly cleaned carpets and fabrics.

Fluoroseal® CF

Dual function carpet and upholstery protector based on cationic technology for durable soil and stain resistance. Suitable for use on most wet-cleanable carpets and fabrics. WoolSafe approved protector for wool carpets and rugs. White liquid. Coverage approx. 30m² to 50m² per 5 litres for carpets and 15m² per 1 litre for fabrics.

Ready-to-use pH 4

Case Qty. 2 x 5L

Unit 5L Code B130-05

Fabric Seal

Solvent based protector for the treatment of water sensitive fine fabrics. Fabric Seal should be applied by approved solvent applicator with suitable respiratory protection. Contains odourless mineral solvent and polymer protector which helps prevent staining from water and oil based stains. Clear solvent. Coverage approx. 80 to 100m² per 5 litres.

Ready-to-use

Case Qty. 2 x 5L

Unit 5L Code B128-05

Shockaway

Anti-static treatment for carpets where static electricity build-up is a problem. Shockaway leaves a non-sticky coating which conducts the electrical charge away from the fibre surface. Apply by low pressure spray applicator to clean vacuumed carpet. Clear liquid. Coverage approx. 50m² per 5 litres of mixed solution (450m² per 5 litres of concentrate).

Dilution 1 to 8 pH 8

Case Qty. 4 x 5L

Unit 5L Code B194-05

Problem Solvers & Additives

Essential problem solvers for the professional carpet and fabric care specialist. From defoamers to oxidising boosters, solvent additives and debrowning solutions.

Ultracac Renovate

Special pre-spray product for the removal of dry soot, carbon, fire residues, filtration soils and draught marks on carpets, fabrics and other surfaces. Highly effective on polypropylene (olefin) carpets as a pre-spray and in conjunction with B151 Oxibrite. Cationic solvent free formula "pulls out" soils by neutralising electrical charge and deodorises on application. Red liquid with floral fragrance.

Dilution 1:100 to 1:20 pH 10.5

Case Qty. 4 x 5L

Unit 5L Code A217-05

Liquid Defoamer

High quality professional anti-foam concentrate for extraction machine recovery tanks. Contains high concentrate of powerful silicone emulsion which counteracts foam from previous shampoo residues. White liquid with mild odour.

Dilution 1 to 500 or as required.

Case Qty. 4 x 5L

Unit 5L Code S760-05

Contract Carpet Defoamer

An economical anti-foam agent for carpet extraction machine recovery tanks. Off-white liquid with mild odour.

Dilution 1 to 250 or as required

Case Qty. 4 x 5 L

Unit 5L Code S761-05

Powdered Defoamer

Economical powdered defoaming agent which can be pre-diluted and added into waste tanks, prior to extraction cleaning. Contains pure silicone anti-foam and inert ingredients. White moist powder.

Dilution as required.

Case Qty. 2 x 4K

Unit 4K Code S762-02

Browning Prescription

Special formula for treating jute browning and large areas of water damage staining on carpets. Contains anti-browning and anti-yellowing agents. Dilute with water and apply by sprayer or add to B105 Fibre Shampoo for rotary brush application, then extract with water. Clear liquid.

Dilution 1:10 to 1:5 parts water pH 2.5

Case Qty. 4 x 5L

Unit 5L Code B175-05

Citra-Boost

A professional strength solvent based cleaning additive which can be added to pre-spray, extraction detergent or rotary shampoo solutions to boost cleaning power for tough jobs.

Citra-Boost gives more power to remove oily and greasy soil, asphalt track-in, food soil and many other difficult soils on carpet and wet-cleanable upholstery. Peach liquid with orange citrus fragrance.

Dilution 1:2000 to 1:66

Case Qty. 5 x 1L

Unit 1L Code B845-01

Oxibrite

Oxidising additive for white, off-white and pastel coloured fibres and fabrics. Can be added to extraction solution or, for best results, use in conjunction with B105 Fibre Shampoo and B162 Fibrebuff and leave to dry. Can be used for 'last resort' treatment of difficult tea and coffee stains. Oxibrite produces controlled 'bleaching' and therefore should be used with caution on all fibres. White powder.

Oxidising solid category 2. Acute oral toxicity category 4.

Serious eye damage category 1.

Dilution 15 to 30ml per 5 litres pH 10.5

Case Qty. 4 x 1K

Unit 1K Code B151-02

Fibrebuff

Acidic powder additive for use in combination with B151 Oxibrite and B105 Fibre Shampoo when removing 'browning' stains or cleaning water damaged carpet. White powder.

Dilution 30 to 60ml per 5 litres pH 4.5

Case Qty. 4 x 1K

Unit 1K Code B162-02

Spot & Stain Removers

With specialist products and a professional spotting kit, the Prochem spot and stain remover range has tried and tested formulations to deal with most spot and stain problems.

Neutral Pro-Spotter

A professional neutral pH spotter effective on most food, drink and general water-based stains. WoolSafe approved maintenance product for wool carpets and rugs. Clear liquid with floral fragrance.

Ready-to-use pH 7.5

Case Qty. 10 x 1L

Unit 1L spray Code B122-01

Stain Pro

Heavy duty water and solvent based alkaline protein spotter for blood, vomit, wine, ink, fresh tea and coffee and most food based stains. Clear liquid with mint fragrance.

Ready-to-use pH 10.5

Case Qty. 10 x 1L

Unit 1L spray Code B144-01

Case Qty. 4 x 5L

Unit 5L Code B144-05

Filter-Out

Filter-Out removes air filtration soil lines along walls and doorways, near heating and air conditioning vents. Exclusive Prochem technology defeats the particle charge attraction, allowing soils to be extracted away. Also removes toner spills, carbon, soot and other charged particle soils. Green liquid with floral fragrance.

Ready to use pH 10

Case Qty. 10 x 1L

Unit 1L spray Code B171-01

Coffee Stain Remover

Specially formulated ready-to-use acidic spotter for tea, coffee, beer, tannin, water marks and other yellow and brown discolorations on carpet and fabric. Clear liquid with lemon fragrance.

Ready-to-use pH 2.5

Case Qty. 10 x 1L

Unit 1L spray Code B195-01

Case Qty. 4 x 5L

Unit 5L Code B195-05

Red Rx

Developed exclusively to remove red food colourings, carbonated drinks, fruit juices and wine stains from carpet and fabrics. Effective with wet towel and hot iron method as directed on label. Straw liquid with lemon fragrance.

Dilution 1 to 1 or ready-to-use pH 8.5

Case Qty. 5 x 1L

Unit 1L Code E400-01

Rust Remover

An effective acidic gel for the removal of rust, iron mould and old blood stains on carpet and fabric. Much safer to use than strong acid products and does not require chemical neutralisation. Clear viscous liquid.

Ready-to-use pH 1

Case Qty. 10 x 1L

Unit 1L Code B198-01

Citrus Gel

A citrus solvent and detergent based liquid gel spot remover for oil, grease, tar, gum and other oily spots on carpet and fabrics. Citrus Gel can be used safely on many spots and stains and is formulated to work on the fibre surface avoiding problems to latex and bitumen backings which commonly occur with other citrus based solvents. White gel with citrus fragrance. Ready-to-use pH 5

Case Qty. 5 x 1L

Unit 1L Code E840-01

Solvall Spotter

A high performance volatile dry solvent for general spot cleaning of oil, grease, adhesives, tar, gum, oil-based paints and many other solvent soluble stains on carpets and fabrics. Clear solvent with light orange fragrance.

Ready-to-use

Case Qty. 5 x 1L

Unit 1L Code B123-01

Case Qty. 2 x 5L

Unit 5L Code B123-05

Ink Solv

A water-based micro-emulsion spotter for nail polish, marker pen ink and PVA adhesive on carpets, fabrics and other surfaces. Clear liquid with mild aromatic odour.

Ready-to-use pH 7.5

Case Qty. 10 x 500ML

Unit 500ML Code E848-01

Solvex

A water-rinseable, non-volatile blend of penetrating solvents and detergents for gloss and emulsion paints, nail polish, varnish and solvent soluble inks on carpets, fabrics and other surfaces. Clear solvent with aromatic odour.

Ready-to-use

Case Qty. 5 x 1L

Unit 1L Code A277-01

Spot & Stain Removers (continued)

'PSK' Professional Spotting Kit

A complete professional kit including a comprehensive range of Prochem chemical spotters and spotting accessories contained in a tough water resistant plastic case. Products may be replenished from the standard Prochem range and individual trigger sprayers may be stored beneath the hinged lid. The following spots and stains can be treated with the 'PSK' kit: Most food and beverage, blood, oil, grease, cosmetics, adhesive, wine, rust, paint, chewing gum, nail polish, ink and many other common commercial and household spots and stains. Prochem's 'PSK' is an essential item for every professional cleaner.

Chemicals: Solvex, Neutral Pro-Spotter with spray, Solvall Spotter, Rust Remover, Coffee Stain Remover with spray, Red Rx, Citrus Gel, Ink Solv, Stain Pro with spray, Urine Neutraliser with spray

Accessories: White Terry Towel, pH Test Paper Colour Coded Reel, Chewing Gum Perforator, Spotting Brush, Neoprene Gloves, Foil Furniture Pads (1000), Stain Removal Guide (Contents may vary with the introduction of new spotting agents).

Natural Range

High performance environmentally safe products with the latest eco surfactant formulations and natural lemongrass, eucalyptus and tea tree signature herbal fragrance.

Natural Carpet Cleaner

Carpet extraction cleaning concentrate with encapsulation technology and gentle pH, for cleaning most types of carpets and rugs. WoolSafe approved maintenance product for wool carpets and rugs. Clear liquid with natural lemongrass and herbal fragrance.

Dilution 1 to 100 pH 7.5

Case Qty. 10 x 1L

Unit 1L Code E772-01

Case Qty. 2 x 5L

Unit 5L Code E772-05

Natural Carpet & Upholstery Prespray

Biodegradable concentrate with eco surfactant, for pre-treating heavily soiled areas of carpets and upholstery. Incorporates encapsulation technology to help prevent sticky residues that may attract soil. Mild pH is suitable for applying to most carpets and rugs. WoolSafe approved maintenance product for wool carpets and rugs. Clear liquid with natural lemongrass and herbal fragrance.

Dilution 1 to 10 pH 8

Case Qty. 2 x 5L

Unit 5L Code E717-05

Natural Carpet Rinse

A mildly acidic professional carpet rinse with eco surfactant, Natural Carpet Rinse also incorporates polymer technology to help prevent residues that may attract soil. WoolSafe approved maintenance product for wool carpets and rugs. Clear liquid with natural lemongrass and herbal fragrance.

Dilution 1 to 100 pH 5.5

Case Qty. 2 x 5L

Unit 5L Code E157-05

Natural Carpet Spotter

A neutral pH spot cleaner for removing a wide variety of spots and stains from carpet. Contains polymer encapsulation technology to prevent sticky residues. Biodegradable, phosphate free with eco surfactant. WoolSafe approved maintenance product for wool carpets and rugs. Clear liquid with natural lemongrass and herbal fragrance.

Ready-to-use pH 8

Case Qty. 10 x 1L

Unit 1L spray Code E343-01

Natural Carpet Deodoriser

A powerful biological deodoriser for carpets based on natural biological cultures that digest organic odours in carpets. Effective against urine and other offensive odours. Contains encapsulation technology to prevent sticky residues. Spray directly onto odour contaminated carpet. Clear liquid with lavender, orange and peppermint fragrance.

Ready-to-use pH 8

Case Qty. 10 x 1L

Unit 1L spray Code E247-01

Case Qty. 2 x 5L

Unit 5L Code E247-05

Natural Multi-Surface Floor Cleaner

Powerful multi-surface neutral pH floor cleaning concentrate, suitable for most floor surfaces including vinyl, linoleum, natural stone, marble, limestone, terrazzo, granite and ceramic tile. Biodegradable and phosphate free with eco surfactant. Clear liquid with natural lemongrass and herbal fragrance.

Dilution 1 to 20 pH 7.5

Case Qty. 2 x 5L

Unit 5L Code E457-05

Hard Surface & Floor Maintenance Products

Specialist products for smooth resilient flooring, safety flooring, stone & tile and floor maintenance including, emulsion polish stripper, acrylic and fluoropolymer seals, dry bright emulsion polish, and floor maintainer.

Alkleen

Universal free rinsing alkaline cleaner for floors and all washable surfaces. Can be applied by rotary or scrubber-drier floor machine or sprayer. Turquoise blue liquid with citrus fragrance.

Dilution 1 to 20 pH 9.5

Case Qty. 4 x 5L

Unit 5L Code A250-05

Stone & Tile Clean

Formulated mildly acidic stone and tile cleaner for quarry tiles, ceramic tiles and grout. Stone & Tile Clean will help remove soil, grease, limescale and grout residues. Clear orange tinted liquid with fresh mint fragrance.

Dilution 1:50 to 1:4 pH 2.5

Case Qty. 4 x 5L

Unit 5L Code A257-05

Ultrapac Renovate

A highly concentrated multi-surface cleaner for the removal of ingrained soils, carbon, soot, fire residues and rubber on hard and semi-porous surfaces. Excellent cleaner for fire restoration and safety flooring. Red liquid with floral fragrance

Dilution 1 to 50 pH 10.5

Case Qty. 4 x 5L

Unit 5L Code A217-05

Powerclean

Wide range, high strength alkaline cleaner for oils, grease and heavy soiling. Suitable for use in pressure washers, floor scrubber-driers and rotary scrubbing machines. Dark blue liquid with light pine and mint fragrance.

Dilution 1 to 50 pH 12

Case Qty. 4 x 5L

Unit 5L Code D488-05

Prostrip

Ammonia free floor polish stripper and cleaner for the removal of old metallised emulsion polish. Can be applied with mop or rotary scrubbing machine. Dark blue liquid with mild odour.

Dilution 1 to 8 pH 12

Case Qty. 4 x 5L

Unit 5L Code C501-05

Prorinse

Acidic rinsing agent for neutralising alkaline floor polish stripper before applying new emulsion polish. Prevents reaction and powdering of new polish. Orange liquid.

Dilution 1 to 20 pH 3.5

Case Qty. 4 x 5L

Unit 5L Code C255-05

Protreat

Neutral pH polyethylene wax-based floor maintainer for damp mopping and spray buffing of vinyl, thermoplastic and stone floors. Produces a rich buffable slip resistant shine on sealed floors. Pink emulsion with floral fragrance.

Dilution 1 to 40 pH 8

Case Qty. 4 x 5L

Unit 5L Code C502-05

Proshine

High gloss, metallised emulsion, self-shining polish for vinyl, thermoplastic and sealed floors. Contains high solids polymer for a long lasting deep slip resistant shine. Two or three thin coats are recommended for best results. White emulsion with acrylic odour.

Coverage approx. 250m² per 5 litres per coat.

Ready-to-use pH 9

Case Qty. 2 x 5L

Unit 5L Code C503-05

Proseal

A water-based acrylic seal for vinyl, rubber, asphalt, terrazzo, linoleum and semi-porous floor surfaces. Provides base-coat seal with satin finish which can be top-coated with Proshine if required. White emulsion with acrylic odour.

Coverage approx. 150m² per 5 litres per coat.

Ready-to-use pH 8.5

Case Qty. 2 x 5L

Unit 5L Code R602-05

Stone Seal

Water-based oil and water resistant penetrative seal for terracotta, sandstone, concrete, grout, brick and other porous floor surfaces. Does not change the appearance of natural stone. Apply by brush, roller or mop. Clear liquid with mild acrylic odour.

Ready-to-use pH 5

Case Qty. 2 x 5L

Unit 5L Code R603-05

The Prochem brand has been synonymous with quality cleaning equipment for over 50 years. In particular, Prochem is industry renowned for professional portable carpet and fabric upholstery soil extraction machines.

A comprehensive range of carpet and upholstery cleaning equipment is available, from compact spot cleaning extractors to the most powerful dual vacuum extraction equipment with optional heat exchanger. Prochem machines are available from a network of selected distributors offering initial set-up, training and local after-sales service.

Safety and the Environment

Safety and the environment are a priority and Prochem machines are UKCA, UKNI and CE certified under the Low Voltage (LVD) Directive as amended and as applicable to each machine. Prochem machinery is registered with a scheme compliant with the Waste Electrical and Electronic Equipment (WEEE) Regulations (Prochem EEE Producer Registration No: WEE / AJ0044SY). Prochem machines comply with the Restriction of use of certain Hazardous Substances in Electrical and Electronic Equipment (RoHS2).

Prochem machines are intended for professional and industrial use only. Service manuals and spare parts lists can be downloaded from our website www.prochem.co.uk

Bravo Spotter

Portable carpet & upholstery spot cleaning machine

The lightweight 'granite' finish Bravo Spotter delivers incredible efficiency and power in a deceptively small package. No set-up time - simply unload and begin cleaning immediately. Compact size and manoeuvrability make the Bravo Spotter ideal for spotting and quick cleaning of small carpeted areas, upholstery and car interiors.

Operators will appreciate the specially designed moulded-in holders that carry spray bottles, leaving the hands free.

Over time it's a winner too, thanks to the upright mounted vacuum motor and oversized recovery tank that combine to ensure longer motor life. The Bravo Spotter comes complete with a hose assembly and dual purpose hand and upholstery tool so it's ready to go when you are.

FEATURES

- Moulded-in spray bottle holders.
- Pull-up transport handle and cable wrap.
- Carry-along handle increases portability.
- Small and light enough to carry with one hand.
- Quickly opens up for easy access.
- Large porthole for easy access to recovery tank.

ORDER CODE

BV100 Bravo Spotter complete with hand tool and hoses

PM2501 Hand / upholstery tool (without hose; replacement only)

Bravo Plus

Portable carpet & upholstery cleaning machine

The Bravo Plus features a larger capacity solution tank for cleaning of small carpeted areas using the lightweight stainless steel carpet wand and hose assembly supplied with the machine. The hand / upholstery tool is an optional extra with the Bravo Plus.

FEATURES

- Moulded-in spray bottle holders.
- Pull-up transport handle and cable wrap.
- Carry-along handle increases portability.
- Larger capacity solution tank for carpet cleaning with wand.
- Supplied complete with wand and hoses.
- Large porthole for easy access to recovery tank.
- Optional hand / upholstery tool.

Comet

Upright self-contained power brush carpet & upholstery cleaning machine

The Comet is a low cost, self-contained carpet extraction cleaner with powerful brush agitation to clean carpets. It weighs only 18 kilos so it's light enough for anyone to handle, plus the compact body design and fold-down handle make it easy to transport and store. Remove two safety screws and the machine opens like a clamshell for fast service.

The Comet is small enough to clean in tight spaces and corners yet powerful enough to perform well in any situation.

A revolutionary bladder design eliminates the need to pour solution into the machine. Simply fill the bucket, set it on the machine, close the lid and begin cleaning.

FEATURES

- Patented self-adjusting, self-levelling brush.
- Optional hand / upholstery tool.
- Handle adjusts to operator height and folds down for easy storage.
- Patented lift-off bucket makes filling and emptying easy and convenient.
- See-through recovery dome.
- Side extension cleans right up to skirting boards.
- Upright vacuum motor and diaphragm pump for longer life.
- Free training voucher with this machine.

Fivestar

Upright self-contained power brush carpet, floor & upholstery cleaning machine

A highly compact and portable high performance carpet and floor cleaning machine, the Prochem Fivestar upright extractor enables any operator to achieve professional results and quick drying with the minimum of effort. The Fivestar can also clean fabric upholstery with the optional upholstery tool as well as hard floors, tiles and grout with the built in 'All-Floor' feature.

A completely self-contained design, combining a powerful pump and vacuum system with a power driven self-adjusting brush, means that there are no hoses or wands to attach.

FEATURES

- Patented self-adjusting, self-levelling brush and vacuum shoe for easy cleaning of all types of carpet.
- All-Floor solution control valve as standard.
- Optional hand tool attaches to back of unit for cleaning stairs, edges and upholstery.
- Handle adjusts to operator height and folds down for easy storage.
- Patented lift-off bucket makes filling and emptying easy and convenient.
- See-through recovery dome.
- Side extension cleans right up to skirting boards.
- Upright mounted motor and intercooler system combine for long-lasting operation.
- Free training voucher with this machine.

Polaris

Upright self-contained power brush carpet & upholstery cleaning machines

SP700

SP800

SP1200

Prochem's state-of-the-art self-contained carpet soil extractors provide unequalled features for the institutional and commercial carpet cleaner.

Whatever your priority, there's a Polaris self-contained extractor with powerbrush that's right for you. The Polaris 800 & 1200 have the cleaning power to tackle large open areas, yet handle like lightweights. The Polaris 700 offers unrivalled portability, ease of operation and performance.

FEATURES

- Full floating and self-levelling cylindrical power brush, eliminates the need for continual manual adjustment.
- Choice of three models, with single or twin vacuum motors.
- 150 psi diaphragm pump.
- Increased vacuum airflow reduces drying times and gives faster cleaning, up to 300 sq.metres per hour.
- Hinged body, provides safe, quick and easy access to all internal components.
- Optional carpet wand or hand tool, can be attached for immediate use.
- Patented four-wheel design, allows pivoting on front or rear wheels for increased manoeuvrability.
- Fully adjustable handle, suits any operator.
- 70 decibel silencer fitted as standard, ideal for 'quiet cleaning areas.'
- 'See-thru' recovery dome and easy lift-off buckets, no hoses to detach.
- Free training voucher with these machines.

Galaxy

Professional compact carpet & upholstery cleaning machine

The Galaxy portable extractor is the perfect machine for residential and institutional cleaning of carpets, rugs and upholstery. With a compact design and lightweight yet durable hi-tech construction the Galaxy packs a powerful punch. With a powerful 2-stage vacuum and 150psi pump the Galaxy delivers the same cleaning performance as much larger machines. The Galaxy is perfect for in-house cleaning as well as car valeting, spotting and small area commercial cleaning. The Galaxy now has the option to fit the Heat 'n' Run in-line heat exchanger. This machine comes complete with hoses and 25cm (10") carpet wand.

FEATURES

- Lightweight and compact design fits easily into small vehicles.
- 150 psi diaphragm pump.
- 2-stage vacuum.
- Stylish design with 'granite' scuff-resistant finish.
- Folding handle.
- Automatic vacuum shut-off.
- Clip-on in-line heater (optional).
- Free training voucher with this machine.

Steemeasy NEW

Professional carpet & upholstery cleaning machine

The brand new Steemeasy professional extraction cleaning machine celebrates Prochem's 50 years of innovation in the carpet and upholstery cleaning industry. Packed with new features including a noise proof roto-tank construction, the Steemeasy is a powerful professional extractor designed for both domestic and commercial jobs. The automatic electronic waste tank shut-off, internal re-circulating pressure system and top mounted connections set the new Steemeasy apart from other machines in its class.

The machine comes complete with hoses and single jet Glidemaster stainless steel wand.

FEATURES

- Upright mounted pump and vacuum motors.
- 150 psi diaphragm pump with internal re-circulating pressure system.
- 3-stage vacuum.
- Waste tank lint and hair collection filter bag.
- Noise proof durable rotational moulded construction.
- Top mounted controls and hose connections.
- Lockable front castors for safe vehicle transportation.
- Automatic electronic waste tank float switch.
- Clear view twist-off recovery tank lid.
- Heater option available.
- Free training voucher with this machine.

CR2 Multi-Surface

Hard surface, carpet & upholstery cleaning machine

The CR2 multi-surface cleaning machine combines a pressure washer with a powerful vacuum system for "Touch-Free" cleaning that effectively deep cleans restrooms in public facilities. Where traditional methods of cleaning like mopping are ineffective, the CR2 breaks loose dirt and grime from porous surfaces and hard to reach areas so it can be effectively removed with the squeegee and vacuum system.

The CR2 comes equipped with a powerful 500 psi pump with built-in auto chemical feed system for cleaning and pressure washing, a 3-stage vacuum system for quick and effective water and soil recovery, and a built-in hose and wand caddy system to easily transport the machine and all the necessary tools to the job site.

For complete versatility, the optional Heat 'n' Run system can be used to boost cleaning performance and the optional carpet and upholstery cleaning accessories can be utilised with the CR2 to make the machine a true multi-surface restoration system.

FEATURES

- Complete Touch-Free cleaning system
- Includes hoses, floor squeegee wand, pressure gun, quick drier tool and gulper tool
- Built-in auto chemical feed system for accurate metering
- 500 psi piston pump
- 3-stage vacuum
- Optional "clip-on" heating system
- Optional accessories for carpet and upholstery cleaning
- Free training voucher with this machine.

Endeavor 500

Professional carpet & upholstery cleaning machine

The Endeavor 500 is packed with a host of features to give you the power, performance and convenience in a state-of-the-art extractor design. Featuring a high pressure 500 psi induction drive piston pump and high airflow 8.4" vacuum motor, the Endeavor 500 matches the performance of a small truck mount unit.

Specifications include handle mounted wheels for easy vehicle loading, top front-mounted controls and front-mounted wand stowage. With fully controllable solution pressure, the Endeavor 500 provides fast high power portable carpet cleaning with the flexibility to reduce solution pressure for smaller jobs and upholstery cleaning.

The Endeavor also features a slide-in version of Prochem's advanced Heat 'n' Run in-line stainless steel heat exchanger. The machine comes complete with hoses and 2-jet Glidemaster stainless steel wand fitted with Teflon wand glide.

FEATURES

- Single 8.4" high airflow low-noise "Infinity" vacuum
- 500 psi induction piston pump
- 2.8 kw heater fitted as standard
- Electronic automatic pump and vacuum shut-off
- Pressure regulator and gauge
- Front mounted control panel
- Handle mounted wheels for easy vehicle loading
- Front mounted wand holder
- Teflon wand glide and stainless steel spray tips
- Free training voucher with this machine.

Heaters

Heat 'N' Run

Self-contained 2.8 kw in-line heater designed exclusively for the Steempro and Galaxy range of carpet soil extractors. High capacity stainless steel heat tube with 65°C thermostat and resettable hi-limit safety thermostat. Provides constant hot cleaning solution and conforms to CE requirements for isolated electrical unit.

25 ft power cable, illuminated rocker switch and heat indicator lamp. Fits Steempro heater mounting plates. For use only with Steempro machines fitted with high pressure relief valve.

Code AC3001

Hand Tools

Glidemaster hand tool

A heavy duty stainless steel extraction hand tool for cleaning stairs, edges and heavy staining. 10 cm (4") head with 04 spray nozzle.

Code AC1021

"Easy-grip" stainless steel upholstery tool

Professional stainless steel upholstery tool with 1.8 m (6 ft) internal solution hose, vacuum hose and external 02 spray tip.

Code PM2502

Heavy duty stair tool

Stainless steel 15 cm (6") wide stair tool with long handle, grip and 06 spray tip.

Code PM2503

Curtain tool

Stainless steel curtain cleaning tool with 15 cm (6") perforated vacuum nozzle and 01 fine spray tip. (Only for use in conjunction with water extraction cleaning of washable curtains).

Code PM2504

Swivel head stair tool

Innovative stair tool which allows you to clean stairs without turning or twisting your arms and wrists. Long 76 cm (30") handle with swivel head and single jet.

Code PM2506

Auto detailer

Durable stainless steel tool specially designed to clean effectively in tight spaces.

Code AC1039

Plastic detailer

Lower cost version of auto detailer with durable plastic head to monitor recovery (suitable for low heat solution only).

Code PM2501

Hand Tools (continued)

Hard surface hand tool **NEW**

500 psi stainless steel 12 cm (4.7") hard surface tool with vacuum adjuster, twin internal jets and scrubbing brush nozzle for tile, cement, stone, brick and heavily soiled hard surfaces. Suitable for use with CR2 Multi-Surface, Endeavor 500 and Prochem truck mount units.

Code PM2507

Misting gun **NEW**

Surface disinfection 250 psi 50 micron misting gun for use with 250 psi Steempro, Powerplus, CR2 Multi-Surface and Endeavor 500 machines. Comfortable grip and low-strain trigger ensure operator comfort. Special atomiser nozzle creates fine particle droplets, that attach to horizontal and vertical surfaces. Suitable for the application of Microsan and Clensan on hard surface, carpets and fabrics

Code AC9000-2

Hoses

Vacuum & solution hose assembly

7.6 m (25 ft) vacuum and solution extension hose assembly fitted with high pressure rated hose for use with Heat 'n' Run system, male and female quick connects and metal vacuum hose connector.

Code PR3005E-H

Large mesh hose bag

Lightweight mesh bag, suitable for 4.6 m (15 ft) and 7.6 m (25 ft) hose assembly.

Code AC1044

Hose bracket accessory kit Steempro Powerplus & CR2 **NEW**

Neat and tidy hang-on storage for hoses and accessories. Fits directly to screw inserts on machine case. Transport and move machine and accessories together. Tough plastic coated steel brackets. Purpose designed for Steempro Powerplus and CR2 Multi-Surface

Code AC1049

Prime & drain hose **NEW**

0.9 m (3 ft) solution hose with male quick connect for easy priming and draining of machine solution tank. Suitable for use with Galaxy, Steempro and Micro-Mist machines.

Code PR250

Wands

Glidemaster 25 cm (10"), single jet

Lightweight 'scrub-type' stainless steel wand with insulated handle and trigger, heavy duty valve, quick connect and single spray tip.

Code AC1030

Glidemaster 30 cm (12"), single jet

Lightweight 'scrub-type' stainless steel wand with insulated handle and trigger, heavy duty valve, quick connect and single spray tip.

Code AC1033

Glidemaster 30 cm (12"), 2-jet S-bend

Professional carpet cleaning wand with insulated handle and trigger "swan neck" head, metal solution tubing and dual spray tips.

Code AC1034

S-bend stair wand

Short 36" handle 2-jet wand for easy cleaning of stair treads.

Code AC1035

Teflon wand glide

Clip-on accessory for Glidemaster 30 cm (12") wands for smooth glide performance over all types of carpet.

Code AC1012

Hard floor squeegee / scrub wand

30 cm swivel head, hard surface cleaning wand with 180 degree brush and squeegee action with single jet.

Code PM2505

Powermate 1200

Lightweight easy-to-manoeuvre extraction machine powerwand with self-levelling cylindrical 2500 rpm brush, 12" vacuum head and 25 ft. power cable.

Code AC1204

truck mount cleaning systems

Prochem pioneered the development of engine powered truck mounted extraction carpet cleaning machines over 50 years ago.

Using only the best quality components and engineering excellence, Prochem and Sapphire Scientific truck mounts provide cleaning performance with long lasting durability for the professional and commercial cleaner worldwide. Applications include residential, commercial, airline and cruise ship cleaning where high performance soil extraction and fast drying are a priority. Excess moisture, noise and contaminants are eliminated from the cleaning environment, making 'truck mounted' carpet cleaning the fastest growing and most talked about cleaning method in the industry today.

Prochem and Sapphire Scientific truck mounts are available direct from Prochem Europe including installation, training and after-sales service.

Safety and the Environment

Prochem and Sapphire Scientific truck mounts are UKCA, UKNI and CE certified under the Machinery Directive as amended. Surfactants contained in Prochem Europe truck mount cleaning formulations comply with the biodegradability requirements of the Detergent Directive 648/2004 as amended. Waste pump-out and drainage outlet systems are designed to discharge cleaning effluent to a sewage drain, which is linked to a local sewage and waste treatment facility. Prochem truck mounts are intended for professional and industrial use only. Service manuals and spare parts lists can be downloaded from our website www.prochem.co.uk

Sapphire 370SS

Truck mounted carpet & upholstery cleaning system

The 370SS – Sapphire's bestseller now has a hot new look with carbon fibre-style details and a backlit front bezel plus all-new Cerakote® ceramic coating on all exhaust components to extend life and keep van interior cooler. The 370SS delivers everything that has made it the cleaning industry favourite: the hottest water and more vacuum than the competition and the best overall performance in its class. The 370's space-saving profile is half the footprint of other truck mounts. Clean carpets, upholstery, hard surfaces – even do flood extraction – this versatile machine does it all.

FEATURES

- Smallest cubic size in the industry. Requires 50% less cubic space than other competitive models, freeing up precious van space.
- Thermostatic control allows complete temperature control up to 250° F / 121° C
- Longer belt life. Unique powered through-frame cooling system directs air over drive belts, extending belt life.
- Intuitive control panel simplifies operation
- Last-step chemical injection ensures peak performance from water pump system.

STANDARD EQUIPMENT

- Low profile 12" 4-jet titanium alloy carpet wand
- 2 x 15 m (50 ft) 6.3 mm (0.25") pressure hose
- 2 x 15 m (50 ft) 50 mm (2") vacuum hose and connector
- 1 x 15 m (50 ft) 19 mm (0.75") inlet water hose
- Complete installation and operator training
- Operation and service manual

Peak 500

Dual operator truck mounted carpet & upholstery cleaning system

The Peak 500 truck mount features Kawasaki's liquid-cooled 31 HP engine with digital fuel injection and enough heat and vacuum to run two 4-jet wands. Maximum heat is quickly available and the new generation power unit has low fuel use at only 3.78 L per hour making it the lowest cost fuel efficient machine in its class.

FEATURES

- Fast warm-up period and holds the heat using two wands.
- Cerakote® treated exhaust reduces radiant heat from exhaust components up to 30%.
- Economical operation: consumes only 3.78 litres of fuel per hour.
- Stainless steel/copper finned tube coil design with manual adjustment control. Also features a plate engine coolant heat exchanger to preheat incoming water and reduces engine coolant temperature.
- Easy to use manual temperature control

STANDARD EQUIPMENT

- Low profile 14" 6-jet titanium alloy carpet wand
- 2 x 15 m (50 ft) 6.3 mm (0.25") pressure hose
- 2 x 15 m (50 ft) 50 mm (2") vacuum hose and connector
- 1 x 15 m (50 ft) 19 mm (0.75") inlet water hose
- Complete installation and operator training
- Operation and service manual

Apex 570

Dual operator truck mounted carpet, upholstery and hard surface cleaning system

High performance cleaning and restoration in a new design that will maximise your investment. With the powerful and reliable liquid-cooled Kubota petrol engine and the proven Gardner Denver TriFlow® Rotary Tri-Lobe vacuum blower, the Apex 570 is ideal for cleaning carpets, hard surfaces and flood extraction. Provides dual-wand capability for larger commercial jobs.

FEATURES

- Quieter Helical Tri-Lobe HF 408 Blower produces less vibration and ensures better dry times.
- Through-frame drive belt cooling significantly reduces downtime by extending belt life.
- Cerakote® ceramic coating on exhaust system minimizes heat and extends components' service life.
- Patented thermal well design incorporates tube-and-shell heat exchanger to maximize heat transfer from engine to solution.
- Easy-to-remove access panel and side hoods allows for quick service.

STANDARD EQUIPMENT

- Carpet wand 35 cm (14 in.) 6-jet titanium alloy
- 1 x 30 m (100 ft) 6.3 mm (0.25 in.) pressure hose
- 1 x 15 m (50 ft) 6.3 mm (0.25 in.) pressure hose
- 3 x 15 m (50 ft) 50 mm (2 in.) vacuum hose and connectors
- 1 x 15 m (50 ft) 19 mm (0.75 in.) inlet water hose
- Complete installation and operator training
- Operation and service manual

Everest 870HP

Triple operator truck mounted carpet, upholstery and hard surface cleaning system

Delivering serious power for the most serious cleaning and restoration professionals, the new Everest 870HP is the culmination of 50 years of Prochem innovative engineering. With a Kubota 57 hp 4-cylinder, liquid cooled, fuel-injected engine paired with a Eurux vacuum blower the 870HP delivers truly industry leading power, performance and durability. With 20% more vacuum than any other truckmount, plus the exclusive E-idle system saving up to 23% fuel, the Everest 870HP is the most powerful cleaning unit for carpet cleaning, flood extraction and high pressure cleaning.

FEATURES

- Exclusive e-idle™ intelligent idle-down system saves up to 23% on fuel and reduces noise by automatically idling down when it senses the machine is not in use.
- Eurux positive displacement blower built to custom specs for maximum extraction. Operate with single, dual or triple wands and long hose runs.
- Cerakote® treated exhaust reduces radiant heat from exhaust components up to 30%.
- Four setting thermalogic heat control and high pressure up to 2500 PSI.
- Prefilter box. Easy clean up between jobs without opening waste tank.

STANDARD EQUIPMENT

- Carpet wand 35 cm (14") 6-jet titanium with PTFE glide
- 3 x 15 m (50 ft) 6.3 mm (0.25") pressure hose
- 3 x 15 m (50 ft) 50 mm (2") vacuum hose and connectors
- 1 x 15 m (50 ft) 19 mm (0.75") inlet water hose
- Complete installation and operator training
- Operation and service manual

Truck Mount System Accessories

Sapphire sub-mount tank 287 Litre (76 US Gallon)

Designed exclusively for Sapphire Rage and 370SS the space saving design boosts your fresh water capacity and saves room in your van. (Includes 12 volt Demand pump system).

Code SS372

Saddle tank 227 Litre

Designed to fit over wheel arch for flexible installations alongside truck mount units in larger vehicles. (Includes PC945232 Demand pump system).

Code PC68391

Demand pump system for fresh water tanks

Reliable 12 volt demand pump system automatically keeps your unit supplied with water at 40 psi and 3.8 gpm.

Code PC945232

Automatic waste pump-out system

Automate your extraction operations with a waste pump out system. Float activated 12 volt system automatically pumps waste water into any suitable drain connected to sanitary sewer for true continuous cleaning. For best results, use in conjunction with CDV Filter Box.

Code SS680

Cleaning Wands

Titanium S-bend

High-strength ultra-light weight titanium construction to reduce operator fatigue. Four and six-jet manifold provides superior coverage. Smooth glide head surface with optional wand glides.

Code SS676 4-jet 30 cm 12"

Code SS677 6-jet 35 cm 14"

Wand glide

Reduce dry times and enjoy fatigue-free cleaning by equipping your cleaning wand with a precision-fit polymer glide. Polymer glides make the most out of the vacuum and airflow produced by your equipment and make cleaning strokes almost effort-free.

Code SS676G 30cm 12"

Code SS677G 35cm 14"

Truck mount hard surface wand

Perfect for hard surfaces, concrete, vinyl, tile, etc. Can be used with truck mounts and portables operating in excess of 800psi. Complete with 2" vac hose adaptor, 12" stainless steel head with squeegee on front face, 360 degree scrubbing brush, internal 4 jets and vacuum release thumb slide.

Code PC556

Cleaning Wands (continued)

Revolution tile & grout tool

The all new Revolution tile and grout cleaning tool provides smooth operation, gliding easily over the floor surface for less operator fatigue. Lightweight – only 5.8 kilos – yet engineered for outstanding durability. Works on uneven surfaces like grouted tile or smooth surfaces like concrete. Can be used with truck mounts and portables operating in excess of 800 psi. Also available the Counter Top tool is a hand held version for walls, counters and edgings.

Code E275 Revolution floor tool

Code E276 Revolution hand tool

Hand & Upholstery Tools

Heavy duty stair tool

Stainless steel 15 cm (6") wide stair tool with long handle, grip and 06 spray tip.

Code PM2503

Sapphire Upholstery Pro

Fast, fatigue-free cleaning – all day long! Now you can effectively clean a wide range of fabrics and carpet details with just one tool. Precision flow control allows for easy adjustments and the unique continuous flow design allows you to extract in both directions for the best clean possible. The Upholstery Pro will prevent over-spray on boxing and piping due to its enclosed injector spray design. Equipped with a trigger lock to reduce hand fatigue, the cleaning head is correctly angled and carefully balanced to reduce wrist, arm and back fatigue. The new design incorporates a lightweight but extremely durable see-through cleaning head. The Upholstery Pro is compatible with truck mounts and continuous flow extraction machines.

10 cm (4") head with 3 m (10 ft) hide-a-hose

Code SS679

Pressure washing gun

High pressure spray gun for touchless cleaning of hard surfaces at high pressure. Comfortable grip and low-strain trigger ensure operator comfort. Fitted with insulated 24" extension (36" optional extension) and rated up to 5000psi.

Code AC9000

Injection sprayer

High pressure 250 - 1000 psi 1 to 9 dilution.

Code PC264

Hand & Upholstery Tools (continued)

Hard surface hand tool

500 psi stainless steel 12 cm (4.7") hard surface tool with vacuum adjuster, twin internal jets and scrubbing brush nozzle for tile, cement, stone, brick and heavily soiled hard surfaces. Suitable for use with CR2 Multi-Surface, Endeavor 500 and Prochem truck mount units.

Code PM2507

Hoses & Hose Accessories

High profile hose reel **NEW**

Fully welded heavy duty hose reel. Stores 75 m (250 ft) of vacuum hose and solution hose.

Code SS681

Vacuum hose

15 m (50 ft) x 50 mm (2") diameter, non-crush.

Code Y029

Vacuum hose connector

50 mm (2") diameter.

Code X374

Solution hose

15 m (50 ft) high pressure.

Code X989

Solution hose with control valve

15 m (50 ft) high pressure.

Code X988

Corner guard

Protects internal walls.

Code HF2701

Hose hook

For hose storage or support.

Code HF2702

CDV filter box

The CDV filter system makes a valuable complement to your carpet cleaning system. A removable clear polycarbonate window allows easy monitoring of filtering progress – customers can see the dirt coming out of their carpet! A stainless lift-out filter cage captures debris and provides for simple cleaning. Interchangeable adapter plates provide an option of either two 2" vacuum outlets or a single 2½" vacuum outlet for single or dual wand operation.

Code SS683

equipment & accessories

Prochem has, for many years, specialized in the selection and testing of suitable ancillary equipment and accessories for the professional cleaner.

The equipment and accessory range includes interim carpet maintenance equipment, floor maintenance machines, vacuum cleaners, spraying and restoration equipment, carpet and upholstery cleaning accessories and brushes all of which are essential items required for use in conjunction with many of the machines and chemicals in this catalogue.

Fiberdri® TM4 and TM3 Carpet dry cleaning system

The Prochem Fiberdri® carpet cleaning system now offers the professional and in-house carpet cleaner a cost effective dry maintenance cleaning method. Designed for use on all types of carpet, the machines use contra-rotating brush action to work the dry cleaning compound into the carpet pile.

The systems can be used in areas during working hours as the carpet is kept dry and the unit has a very low noise level. The cleaning and compound pick-up process is automatic with the Renovator system or can be completed by vacuuming to remove the soiled compound.

Both machines can be used as a CRB contra-rotating brush system to loosen dust and dry soil from carpets and rugs before vacuuming and also to brush in Procaps soil encapsulation spray cleaner.

ORDER CODE

PRO 35

Dry & wet carpet & floor cleaner

The PRO 35 has the versatility to dry and wet clean carpets and floors all in one machine. With IPX4 wet cleaning certification the PRO 35 comes complete with renovator, brush covers, transport tray and blue standard brushes. Soft carpet and hard floor brushes are optional. Use the PRO 35 on carpets in conjunction with Fiberdri® carpet dry cleaning compound or Procaps encapsulation spray cleaner. On studded rubber, PVC, safety flooring and all types of tiles and stone floors the PRO 35 can be used in conjunction with Prochem hard surface cleaners and the brown stiff floor brush or the black extra stiff floor brush.

FEATURES

- Compact design
- Stainless steel body
- Low noise level

CARPET

- Dry compound carpet cleaning
- Spray encapsulation carpet cleaning
- Pile lifting
- Dry soil removal

HARD FLOOR

- Floor washing
- Scrubbing / drying
- Tile and grout cleaning

Floor Pro

Carpet & floor rotary maintenance machines

Versatile single disc rotary machines for bonnet buffing and shampooing of carpets and stripping, scrubbing, sanding, buffing and polishing of floors. The Floor Pro series incorporates an ergonomic handle with lever operated positional control and a choice of speeds to suit all types of carpet and floor maintenance.

Low speed for carpet bonnet and shampooing, floor scrubbing, stripping and buffing. Medium speed for floor sanding in conjunction with the optional suction kit and high speed for buffing and polishing all types of smooth floors.

Solution tanks, suction kit, drive boards and scrubbing, polishing and shampoo brushes are optional extras.

FEATURES

- Choice of four single speed and one dual speed machine
- Heavy duty induction motor
- Safety start-up handle switch
- Satellite and planetary gearbox
- Low noise level
- Ergonomic design for smooth operation

SPEED SUITABILITY

- L10 & L133 – Carpet bonnet maintenance and shampooing, floor stripping, scrubbing and buffing
- M16 – Wood floor sanding (with suction kit), floor scrubbing, buffing and polishing
- H16 – Floor buffing and polishing
- TS – Carpet bonnet maintenance and shampooing, floor stripping, scrubbing, buffing and polishing

Roto-Orbital 143 Spray **NEW**

Carpet & floor orbital spray maintenance machine

Professional and innovative orbital single-disc machine specially designed for low torque cleaning of carpets with Soil-Sorb bonnet pads. The 1500 OPM oscillating head adapts to all surfaces and allows the removal of soil particles from the fibres and reduces drying time. Fitted with 12 litre solution tank and spray system pump with two adjustable nozzles for perfect coverage of the working area.

The Orbital 143 SPRAY machine is also suitable for hard floor cleaning with floor pads and scrubbing brush optional accessories. With a lower water and detergent consumption and productivity savings thanks to the roto-orbital movement that confines the cleaning solution spray to the pad holder position.

The Orbital 143 SPRAY has low vibration, high stability and manoeuvrability with an ergonomic handle, combined with solid and compact frame. Large wheels and reduced weight make this an easy to use and transport orbital single-disc machine. Supplied complete with 43 cm 17" pad drive board, spray system and kit head locking pin.

Adjustable front mounted spray nozzles

Handle mounted spray on/off button

Base mounted spray pump

Rolly NRG **NEW**

Walk behind floor washer drier

The new NRG Rolly compact scrubber dryer provides high performance, ease of use and reliability. Easy to use in confined areas and with 7,5 litre solution tank capacity, combined with a special handle (patented) and swivel wheels, the Rolly NRG is perfect for cleaning small, medium and large areas. The last generation of lithium batteries contained in a small case guarantees reliability and running time (more than one hour running time with the 10 Ah batteries) with exceptional cleaning and drying.

- Cylindrical brush deck, with three pressure adjustments.
- Twin squeegee system (patented), for fast drying.
- Low noise level for cleaning in all the environments.
- Easy to use with minimal training required.
- All main functions can be managed by the intuitive control panel
- Coloured levers and knobs for quick set up machine while using it
- Simple maintenance.

Handle mounted controls

Easy to clean small spaces

Folds for transportation

Dynamic 380E & 450E

Dual motor upright carpet vacuums with dry compound cleaning function (380E only).

The Dynamic upright vacuums are the lightest professional two motor carpet vacuums ever built. Equipped with a patented weight distribution system, both motors are positioned on the base housing while all accessories are located on the lower part of the suction body.

On the 380E, in 10 seconds and without any tools you can install the DCS converter and the machine is ready to use as a dry compound brush unit to dry-clean rugs and carpets.

Cleaning width: 380E 38 cm (14.9")
450E 45 cm (17.7")

LS38 & LS50

The LS38 and LS50 are multi-function wide area vacuum sweepers for floors and carpets. With the optional DCS converter both machines can be quickly converted for encapsulation or dry compound cleaning of rugs and carpets. The LS38 is mains or battery powered, the LS50 is mains powered and the LS50 Hybrid is mains and battery powered.

Cleaning width: LS38 38 cm (14.9")
LS50 45 cm (18")

Prevents rust and wood staining from heavy furniture on damp carpet.

Code WH4102 (per box of 360)

Tarpaulin **NEW**

Heavy duty grey rip-stop canvas, size 1.8m x 1.8m. Helps prevent spills and machine leaks on carpets.

Code ST3401

Foil furniture protector pads

Place under chairs and tables to prevent rust marks and wood stains.

Code WF3401 (per 1000)

Synthetic upholstery shampoo sponge

Soft sponge for foam shampoo cleaning of fabrics.

Code CN3604

pH test paper

Colour coded reel, pH 1 to 14. Helps determine acidity or alkalinity of stains and solutions.

Code BD3403

Furniture sliders

Make light work of moving heavy furniture. 4 large and 4 small sliders fit under furniture feet.

Code HD4001 (pack of 8)

Chewing gum perforator

Special unit for piercing gum for solvent removal.

Code CA3401

Bone spotting scraper

For removal of solids staining material.

Code PC4102

10 litre bucket

With handle, lip and volume markings.

Code CN3503W White

Code CN3503R Red

Chemical dispenser

Push-type 30 ml (1fl.oz) dispenser for 5L containers

Code CN3402

Black neoprene gloves

Protects skin from alkaline and acid detergents and most solvents (size large).

Code VI3606

Carpet & Upholstery Brushes

Spotting brush

Stiff natural fibre short bristle brush for spot and stain removal and tamping.

Code KE3401

Tampico upholstery brush

Natural mexican fibre hand brush for applying shampoo and pre-sprays to upholstery fabrics.

Code PA3405

Nylon hand brush

Stiff synthetic fibre hand brush for general carpet cleaning applications such as stairs and edges.

Code PA3406

Platers brush

A natural tampico fibre short bristle brush with long handle, ideal for use on curtain and fabric pleat work.

Code PA3407

Velvet 'Boffin' brush

A soft metallic bristle grooming brush which is designed for use on velvet pile fabrics.

Code SD3401

Carpet pile brush 18" nylon fibre

A purpose designed carpet brush which can be used for pre-spray agitation and re-setting pile (head only).

Code PA3401

Brush handle, 5 ft for PA3401 18" carpet pile brush threaded (not shown).

Code HG3401

Grandi-Groomer carpet rake 12"

A lightweight carpet pile grooming rake which can be used for domestic areas.

Code PC3202

Grandi-Groomer carpet rake 18"

A commercial grooming rake which can be used to rake or loft pile prior to vacuuming and re-set pile after cleaning.

Code PC3201

Handi-Groomer carpet rake

A hand held grooming rake ideal for stairs and edges.

Code PC4201

Disinfection Misting Equipment

Micro-Mist

Professional surface disinfecting system

The new Micro-Mist surface disinfecting system is a complete solution for quickly disinfecting large surface areas and touch-points of interior facilities and public areas.

The Micro-Mist system provides the operator with a compact and powerful package for quick application of Microsan and Clensan disinfecting solution in a fine "non-drift" mist to interior surfaces, floors, carpets, seating, upholstery and multiple surfaces and touch-points.

With a 15 litre solution tank and 250 psi solution pump, the Micro-Mist will effortlessly apply disinfecting solution over large areas with its 70 micron misting gun connected to a 7.6 m industrial solution hose with brass quick connects.

The on-board caddy system simplifies transporting the Micro-Mist to the job location with all tools and solution necessary to complete the surface disinfecting job in one trip.

FEATURES

- Durable, light-weight, compact body with folding handle.
- Top mounted chemical tray, misting gun holster, and large rear wheels for easy transport.
- 250 psi pump, optimal rate of solution dispensing for maximum productivity.
- 15 litre solution tank for larger coverage, reducing downtime from needing to refill solution.
- Exclusively designed for use with D500 Microsan and B125 Clensan solutions.
- 37" commercial tough misting gun for extended reach to high and low areas with ease.
- Atomizing spray tip provides 70 micron droplet size for fine "non-drift" misting and better saturation control with in-line filter to minimize clogging.

ORDER CODE

M500 Micro-Mist with 7.6 m hose and misting gun

Includes special introductory free package:-

4 x 5L D500 Microsan, 2 x 5L B125 Clensan,
1 x LH4301 Comfort mask, 1 pair blue nitrile gloves

Specifications	Micro-Mist
Solution tank	15 litres
Run time	1.1 hours continuous
Solution pressure	17.2 bar (250 psi)
Mist particle size	70 micron VMD
Solution hose	7.6 m (25 ft)
Tank construction	Polyethylene
Wheels	Rear stair climbing 18 cm (7") non-marking
Front castors	6 cm (2.5") non-marking
Power cable	7.6 metres (25 ft)
Weight	16.3 kilos
Dimensions	70 x 64 x 40 cm

Misting gun 250 psi

Surface disinfection misting gun for use with 250 psi Steempro Powerplus, CR2 Multi-surface and Endeavor 500 machines. Special atomizer nozzle creates fine particle droplets that attach to horizontal and vertical surfaces.

For use only with E5001 25 ft. high pressure solution hose assembly.

Code AC9000-2

Spraying Equipment

Trigger spray

1 litre natural swirl neck bottle only (no dilution marks).

Code DL2101

Heavy duty blue / white, trigger spray head, short cap with ergonomic pistol grip.

Code SP2501

McProper Plus sprayer

Versatile sprayer for use in any position. 500 ml fill with 100 ml measure scale. Works in sideways or 'upside-down' mode.

Code BM4305

Spray-Matic 1.25P

Pump-up hand sprayer with adjustable / directional nozzle. Ideal for spot and stain removal. 1.25 litre capacity with Viton® seals and safety valve.

Code BM4302

Spray-Matic 1.25N

Fabric pump-up hand sprayer fitted with 8002 fanjet nozzle, Viton® seals and safety valve. Suitable for application of fabric protectors.

Code BM4303

Foam-Matic 1.25E

Pump-up hand sprayer with foam nozzle. Ideal for application of carpet and upholstery shampoo and detergent cleaners for hygiene, vehicles and vertical surfaces. 1.25 L capacity with EPDM seals and safety valve.

Code BM4306

Clean-Matic 1.25E **NEW**

Pump-up hand sprayer with fan nozzle or hollow cone disinfection nozzle for misting surfaces. Suitable for pH 7 to 14 cleaning agents and disinfectants. 1.25 L capacity with EPDM seals, safety valve and 360° spray function.

Code BM4310 with Fan nozzle

Code BM4311 with Misting nozzle

Rondo-Matic 5L

Impact resistant polyethylene tank with Viton® seals, stainless steel pump rod and spray lance, safety valve and 8004 fanjet nozzle.

Code CP4301

Clean-Matic 5P

Professional quality polyethylene sprayer with stainless steel lance, fanjet nozzle and Viton® seals. 5 litre capacity, suitable for application of pre-spray cleaners or protective treatments.

Code BM4304

Foam-Matic 5E

Professional quality polyethylene sprayer with foam lance and EPDM seals. 5 litre capacity, suitable for application of foaming high alkaline detergent cleaners for vehicles, hygiene and vertical surfaces.

Code BM4307

5L & 10L Stainless steel pressure sprayers

Professional quality sprayers designed for application of fluorochemical carpet protectors and other spray treatments. Top mounted hose fittings and separate filler cap. Fitted with 8004 fanjet nozzle, Viton® seals and pressure gauge. 10L fitted with extendable coil hose.

Code CP3401 5 litre

Code CP3402 10 litre

Fabric protector applicator gun

With coil hose, 6501 stainless steel spray tip and fast coupling (fits CP3401 and CP3402 sprayers).

Code PR4001

Constant flow valve

Fits between end of lance and nozzle assembly to ensure constant pressure of 2 bar (29 psi).

Suitable for use on BM4304, CP3401, CP3402 and CP4301 sprayers.

Code BM4301

REB 15 Battery sprayer

Re-chargeable 15 litre Li-ion 18V back-pack battery sprayer with variable pressure adjustment. Suitable for disinfection misting with hollow cone disinfection nozzle or prespray and carpet protection with fan jet nozzle.

Code BM4308

Hollow cone disinfection nozzle

Fine mist nozzle for spray disinfection. Fits on spray lance in place of standard nozzle. Suitable for use on REB 15 Battery sprayer, Clean-Matic 5P, Rondo-Matic 5L, 5L and 10L stainless steel sprayers.

Code BM5042

Spare Parts

Prochem carry a large stock of replacement spare parts for all of the machines and equipment illustrated in this catalogue, as well as parts which are common to many other makes of equipment. For advice and prices please contact your local distributor or alternatively order on line at www.prochem.co.uk/spare-parts

Vacuums

Vacuum motor 2-stage Reverse Fan

Fits Comet, Fivestar, Polaris and Supernova
Code E02521

Vacuum motor 3-stage

Fits all Steempro models
Code E13554

Vacuum motor 2-stage 6.6"

Fits Endeavor SX9000
Code E13723

Vacuum motor 2-stage 8.4"

Fits Endeavor 500 SX9500
Code E13796-1

Pumps

Diaphragm pump 85 psi

Fits Comet and Fivestar
Code E10763-1

Diaphragm pump 150 psi

Fits Polaris, Supernova, Galaxy and Steempro Powerflo.
Code PC809147

Diaphragm pump 200 psi

Fits Steempro Powermax
Code E11764-2

Diaphragm pump 250 psi

Fits Steempro Powerplus
Code E13639-2

Miscellaneous Parts

Wand valve

New style with trigger.
Code CM5001

Female quick connect

Brass socket 1/4".
Code GU00102

Male quick connect

Brass plug 1/4".
Code GU00104

Waste tank gasket

Steempro Powerflo and Powermax.
Code E11124

Gate valve

Black ABS.
Code EN00711

Rocker switch

Illuminated, fits Steempro and other models
Code E02211-1

training courses

Expert training to suit your needs

With 50 years of experience in running professionally recognised courses, our training programme covers all of today's key carpet, floor and fabric cleaning disciplines and more, giving you the skills you need to maximise your performance and drive your business forward.

Clear and practical, each course includes face-to-face instruction and step-by-step demonstrations by dedicated Prochem trainers so you gain the knowledge and confidence to clean to the highest professional standards. With each course, you will receive a comprehensive reference manual to help you put all that you have learnt into practice.

Course Booking Information

All training courses include coffee, lunch, tea, a comprehensive reference manual and training certificate. The numbers on each course are restricted.

All courses must be paid for at the time of booking, either online at www.prochem.co.uk or contact our Sales Department on 020 8974 1515. We regret that an administration charge of £20 will be applied in respect of cancellations made less than five working days prior to the date of the course.

Lunch will be provided on all courses, with a vegetarian option and some special dietary requirements available (please ask at time of booking). Please ensure you inform us if you have any food allergies.

Reservations will be confirmed by letter and/or email and will include course timings. For up-to-date details of course content, scheduled dates and travel directions visit our website at www.prochem.co.uk or contact our Sales Department on 020 8974 1515.

All prices are per person and exclusive of VAT.

Please visit our website for dates, more information and frequently asked questions.

2-Day Carpet Cleaning

Aimed at cleaning newcomers as well as those wishing to improve their skills or set up their own cleaning business, this superb in-depth course incorporates all the theoretical and practical elements of our 1-day course on the first day, plus - advanced dye techniques, rug identification and cleaning advice, on-site surveying (practical), advanced stain removal methods, timing/pricing and insurance advice on the second day.

The two days can be attended consecutively or at separate times, but it is mandatory to attend the first day or a C1 in order to attend the second day.

CODE TRA-C2

CONTENTS INCLUDE:

Carpet conditions

- Soil levels
- Wear and fixings
- Soil types

Carpet cleaning methods

- Dry cleaning
- Low moisture methods
- Hot water soil extraction
- Combination cleaning

Carpet construction

- How to identify tufted or woven
- Carpet backings and related risks

Fibre identification

- Natural or synthetic and related problems
- Burn/fibre test

Chemistry of cleaning

- pH scale
- Correct use of products
- Dye bleed test

Stain removal

- How to test for solvent or water soluble stains
- Application techniques
- A-Z spotting guide

Special treatments

- Presprays/pre-treatments
- Extraction detergents/rinses
- Deodorisers
- Protectors
- Defoamer

How to carry out a professional inspection

- On-site survey
- Timing and pricing for profit

Rug cleaning

1-Day Carpet Cleaning

A comprehensive course for carpet cleaners, contract businesses and public sector operatives. This instructive and information-packed day covers carpet construction, fibre identification, approved cleaning methods, stain removal, protective treatments and much more.

CODE TRA-C1

CONTENTS INCLUDE:

Furniture classification chart for timing and pricing

1-Day Stain Removal Course

This is an advanced course* for those wishing to improve their skills in stain removal and who have already taken a 1-day carpet cleaning course and have a clear understanding of the chemistry of cleaning. An in-depth course, it incorporates a comprehensive overview of all the available stain removal products with hands-on practice in the correct application of these products. There will be brief revision of fibre identification and carpet and fabric construction and further guidance on sanitising, odour control and protector treatments for both carpets and upholstery fabrics.

***Previous attendance at a Prochem carpet cleaning course is mandatory.**

CODE TRA-SR1

CONTENTS INCLUDE:

Identification of stains

- Their origin and how they affect different types of fibres and construction.
- Asking the right questions.
- Assessing the extent of damage and likelihood of removal.
- Water soluble stains.
- Solvent soluble stains.
- Dye stains etc.

Chemistry of cleaning

- Understanding the importance of pH in stain removal.
- Testing the stain.

Stain removal kit

- Products, equipment and machines.

Comprehensive stain removal guide

- Hands-on practice.

Application techniques

- Basic application tips
- Advanced methods for difficult stains.

Further treatments

- Odour control
- Sanitising
- Protectors

1-Day Hard Floor Cleaning & Maintenance

Get to grips with identifying and maintaining a wide range of floor surfaces. Features practical demonstrations in Prochem's custom-built training area and is ideal for professional cleaners, contract cleaners and hospital and local authority staff.

CODE TRA-HF1

CONTENTS INCLUDE:

Cleaning systems for

- Initial treatments including wood sanding, stripping, sealing
- Regular maintenance
- Periodic treatments
