### Paper & Cardboard Packaging Sustainability Statement

All of our outer carton packaging for manufactured chemical products is sourced from manufacturers with FSC and/or FSC/PEFC accreditation.

***FSC's "tick tree" logo is used to indicate that products are certified under the FSC system. When you see the FSC logo on a label, you can buy forest products with confidence that you are helping to ensure our forests are alive for generations to come.***

***PEFC is the world's leading forest certification organization.***

***An international non-profit, non-governmental organization dedicated to promoting sustainable forest management, the Programme for the Endorsement of Forest Certification is the certification system of choice for small forest owners.***
