

CARPET CLEANING AND ODOUR CONTROL SYSTEMS

For use in the healthcare sector and leisure industry where hygiene and odour control is important

S775 EXTRACTION PLUS

- Low foam cleaning concentrate for carpet soil extraction machines.
- Cost effective, with anti-resoiling formula.
- Stable at high temperatures.
- Pleasant citrus fragrance.
- 5L – Dilution 1:100.

B112 NEUTRA-SOFT®

- Woollsafe approved maintenance product.
- Developed exclusively for the healthcare sector.
- All-in-one carpet extraction cleaner, urine neutraliser, deodoriser and rinse agent.
- Lemon and lime fragrance.
- 5L – Dilution 1:100 or 1:20.

B153 URINE NEUTRALISER

- Deodorises and neutralises urine deposits on contact.
- Helps prevent staining and unpleasant odours – fresh fragrance.
- Specially formulated for carpets and fabrics.
- 1L spray or 5L – Dilution 1:1 or ready-to-use.

B109 FIBRE & FABRIC RINSE

- WoolSafe approved maintenance product.
- Neutralises alkaline residues, stabilises colours and prevents browning.
- Helps neutralise urine contamination.
- Fresh orange peel fragrance.
- 5L – Dilution 1:100 or 1:50.

B125 CLENSAN®

- Multi-surface sanitiser and deodoriser.
- Effective against bacteria and viruses – fresh herbal lemon fragrance.
- For use on carpets, fabrics, floors and hard surfaces – apply by sprayer before rinsing.
- Approved to EN1276 and EN14476.
- 1L spray ready-to-use or 5L concentrate – Dilution 1:20.
- Woollsafe approved maintenance product.

D500 MICROSAN®

- Approved to EN1276 and EN14476.
- Multi-surface biocidal cleaner formulated for hard surfaces, floors, carpets and fabrics.
- Effective against bacteria including MRSA, and viruses including Coronavirus.
- 1L spray ready-to-use or 5L – Dilution 1:50 to 1:16
- Woollsafe approved maintenance product.

E247 NATURAL CARPET DEODORISER

- Powerful biological deodoriser for synthetic carpets, based on natural biological cultures that digest organic odours.
- Contains encapsulation technology to prevent sticky residues.
- Effective against urine and other offensive odours.
- Natural lavender, orange and peppermint fragrance.
- 1L spray – ready-to-use.

B124 ODOUR FRESH

- High quality concentrated deodoriser.
- Counteracts most odours.
- Can be added to any carpet, fabric or general cleaning solution.
- Economical to use.
- Fresh clean floral fragrance.
- 5L – Dilution 1:100.

E840 CITRUS GEL

- Citrus solvent and detergent based liquid gel spot remover for oil, grease, tar, gum and other oily spots on carpet and fabrics.
- Formulated to work on the fibre surface avoiding problems to latex and bitumen backings.
- White gel with citrus fragrance.
- 1L – ready-to-use.

B195 COFFEE STAIN REMOVER

- Specially formulated ready-to-use acidic spotter for use on carpets and fabrics.
- For treatment of coffee, tea, tannin, beer, water marks and other yellow and brown discolourations.
- 1L spray or 5L – ready-to-use.

B144 STAIN PRO

- Heavy duty water and solvent based alkaline protein spotter for blood, vomit, wine, ink, fresh tea and coffee and most food-based stains.
- Specially formulated for most stains on carpets and fabrics.
- Clean mint fragrance.
- 1L spray or 5L – ready-to-use.

S709 MULTI PRO

- General purpose pre-spotter and traffic lane pre-spray for carpets.
- Excellent for draught marks and greasy areas.
- Apply by sprayer to all heavily soiled areas before machine cleaning.
- Citrus mint fragrance.
- 5L – Dilution 1:8.

BIOCIDES

Use biocides safely. Always read the label and product information before use.
Applies to B125 Clensan and D500 Microsan.
