

SX9500

Endeavor 500

Professional carpet & upholstery cleaning machine

- The Endeavor 500 is packed with a host of new features to give you the power, performance and convenience in a state-of-the-art extractor design.
- Featuring a high pressure 500 psi induction drive piston pump and high airflow single 8.4" Ametek vacuum motor, the Endeavor 500 matches the performance of a small truck mount unit.
- Specifications include handle mounted wheels for easy vehicle loading, top front mounted controls and front mounted wand stowage.
- With fully controllable solution pressure, the Endeavor 500 provides fast high power portable carpet cleaning with the flexibility to reduce solution pressure for smaller jobs and upholstery cleaning.
- The Endeavor also features a slide-in version of Prochem's advanced Heat 'n' Run in-line stainless steel heat exchanger. The machine comes complete with hoses and 2-jet Glidemaster stainless steel wand fitted with Teflon wand glide.

FEATURES

- Single 8.4 inch high airflow low-noise "Infinity" vacuum
- 500 psi induction piston pump
- 2.8 kw heater fitted as standard
- Electronic automatic vacuum shut-off
- Pressure regulator and gauge
- Front mounted control panel
- Handle mounted wheels for easy vehicle loading
- Front mounted wand holder
- Teflon wand glide and stainless steel spray tips
