CONTRACT CARPET SANITISER

LABEL INSTRUCTIONS

Product Description & Directions for Use:

A concentrated dual-action biocidal sanitiser and deodoriser for use on carpets and fabrics. Contract Carpet Sanitiser effectively neutralises bacteria and odours caused by floods, food and other organic matter on carpets and fabrics. Approved to EN1276.

For professional and industrial use only.

Very heavily soiled areas of carpets and fabrics should be cleaned before application. For best results, solutions should always be freshly prepared. Always pretest carpet or fabric for colour fastness and texture change before proceeding.

Mix 50ml of Contract Carpet Sanitiser concentrate per litre of warm water (1:20). Apply by spray applicator directly to carpet or fabric surface, then leave for 5 to 15 minutes. Follow up with normal extraction cleaning or rinsing. For severe contamination re-apply Contract Carpet Sanitiser and leave carpet or fabric to dry. Do not mix Contract Carpet Sanitiser with other cleaning solutions.

- Dual-action anti-bacterial sanitiser & deodoriser concentrate for carpets & fabrics
