LEATHER CONDITIONER

LABEL INSTRUCTIONS

Product Description & Directions for Use:
Finishing treatment for cleaned leather upholstery, which replaces natural oils, restores suppleness and helps protect. Nourishes and lubricates with no greasy residue. Recommended for use after cleaning with Prochem Leather Cleaner.

For professional and industrial use only.
Shake well before using. Ready-to-use, do not dilute.
Recommended for pigmented smooth leather.
Pre-inspect leather condition for cracking, stains, cuts or damage.
Pre-test in an inconspicuous location for colour fastness, darkening or texture change.
May slightly darken light coloured leathers.
Not recommended for suede leather.
Avoid application onto wood or other surfaces.
Clean leather thoroughly using Prochem Leather Cleaner.
Apply Leather Conditioner to a clean slightly damp towel.
Spread evenly on leather, allow a few minutes to absorb.
Use a clean dry soft cloth to wipe off excess and buff to a smooth appearance.
Repeat conditioning process when needed to keep leather soft and supple.

- Professional conditioner for leather upholstery
- Replaces natural oils, restores suppleness and helps protect.
- Contains natural oils and conditioning agents.
- Tan liquid emulsion with leather and lemon fragrance.

pH: 6.0

Keep out of reach of children.
Do not get in eyes, on skin, or on clothing.
Wear protective gloves.
IF IN EYES: Rinse cautiously with water for several minutes.
Remove contact lenses, if present and easy to do. Continue rinsing. Get medical advice / attention.

Safety data sheet available on request.
