

STAIN REMOVAL SURGERIES

Fantastic stain presentation at the drop-in surgery from Prochem. Very informative with useful practices that will take my clients' cleaning expertise to the next level.

Andy Kennedy BICSc., National Account Manager, Avon Services, Bristol - Distributor

The popularity of the Stain Removal Surgeries held at Prochem authorised distributors' premises earlier this year, means that there will be more events in the future.

If you are a distributor, contact your Prochem sales representative now to provisionally book a date.

Thank you for the great experience and thank you to Paul for inviting me. I found it a truly helpful introduction to stain removal and certainly expanded my knowledge on the amount of different products available to us as a business and the different uses.

Kirk Day, Come Shine With Me, Customer of Vanitorials Ltd., Benfleet, Essex – Distributor

If you are a carpet cleaning professional, why not ask your local distributor if they are planning to organise a Prochem Spot & Stain Removal Surgery.

**Watch this space for
future dates and venues.**

In the meantime, visit www.prochem.co.uk and check out the Cleaning Technical Help Guides.

Have you read and signed up to the Prochem E-zine? You can read the latest edition, as well as back issues at www.prochemcleaningnews.com
