

## AC1204

## Powermate 1200

### Extraction machine carpet powerwand

- Lightweight easy-to-manoeuvre extraction machine powerwand with self-levelling cylindrical 2500rpm brush, 12" vacuum head and 25 ft. power cable.
- The Powermate 1200 provides a high-speed cylindrical agitator brush that gets down to the base of the carpet fibres for more effective cleaning. The combination of brush agitation and solution spray minimizes physical exertion and improves cleaning performance.

### FEATURES

- Weighs only 6.8 kilos for lightweight operation
- See-through front cover
- Sealed stainless steel bearings for durability and long life
- High speed 2500 rpm agitator brush for powerful cleaning
- Heavy duty aluminium handle for light weight durability
- Can be use with Galaxy and Steempro extractors
