

## CA3800

### Fiberdri TM3

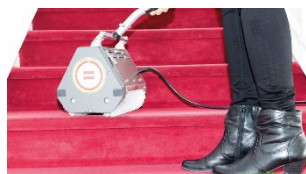

#### Carpet Dry Cleaning System

- A compact CRB Counter Rotating Brushing machine for cleaning carpets and stairs with Prochem Fiberdri compound.
- The TM3 offers the professional and in-house carpet cleaner a cost-effective dry maintenance cleaning method for cleaning smaller areas and stairs.
- Application and benefits: dry soil removal, pile lifting, low moisture cleaning, compact design, stainless steel body, low noise level.
- Designed for use on all types of carpet, the TM3 use contra-rotating brush action to work the dry cleaning compound into the carpet pile.
- The systems can be used in areas during working hours as the carpet is kept dry and the unit has a very low noise level.
- The cleaning and compound pick-up process is automatic with the Renovator system included or by vacuuming to remove the soiled compound.
