

GH3157

Roto-Orbital 143 Spray

Carpet & Floor Orbital Spray Maintenance Machine

FEATURES

- Professional and innovative orbital disc machine specially designed for low torque cleaning of carpets with Soil-Sorb bonnet pads.
- The 1500 OPM oscillating head adapts to all surfaces and allows the removal of soil particles from the fibres and reduces drying time.
- Fitted with 12 litre solution tank and spray system pump with two adjustable nozzles for perfect coverage of the working area.
- The orbital 143 SPRAY machine is also suitable for hard floor cleaning with floor pads and scrubbing brush optional accessories.
- With a lower water and detergent consumption and productivity savings thanks to the roto-orbital movement that confines the cleaning solution spray to the pad holder position.
- The orbital 143 spray has low vibration, high stability and manoeuvrability with an ergonomic handle, combined with solid and compact frame.
- Large wheels and reduced weight make this an easy to use and transport orbital single-disc machine.
- Supplied complete with 43cm 17" drive board, spray system and kit head locking pin

ACCESSORIES

- Pad drive board (included)

Adjustable front mounted spray nozzles

Handle mounted spray on/off button

Base mounted spray pump
